

LETTER OF MUTUAL AGREEMENT [China]

(For CADETS / TRAINEE ENGINEERS / JUNIOR ENGINEERS employed on vessels manned by Seaspan Crew Management Ltd on behalf of their Principals.)

This letter of mutual Agreement is made in Shanghai on Feb 1 2026
between: Cao Haiduo and **Seaspan Crew Management Ltd.**, on behalf of the principals as agents only, hereinafter referred to as the **"Company"** (which expression shall unless it be repugnant to the context and meaning thereof be deemed to include the directors, its future directors, their successors and permitted assignees) of the FIRST PART

AND

Mr/Ms Cao Haiduo

a Deck / Engine / Electro Cadet hereinafter referred to as the **"Trainee"** (which expression shall unless it be repugnant to the context and meaning thereof be deemed to include all his heirs, legal representatives and assignees) of the SECOND PART

WHEREAS:

The Company is in the business of providing qualified and trained marine personnel to its principals.

The Trainee is desirous of undertaking the Maritime training conducted by the **"Institute"**: Yantai University

The Company has decided to offer services hereinafter called **"Training"** to Trainee under certain terms and conditions as appearing hereinafter.

OBJECTIVES:

To detail out some terms and obligations in conjunction with the training and education that forms the curriculum in the Pre-sea and On-board training, as well as subsequent tour of duties as a certified officer on board the ships that are assigned by the Company. To clarify further, the tour of duty as a certified officer should be a minimum of four separate contracts with a total period of minimum 24 months and thus covering the applicability of the Seafarer's Employment Agreement.

THE PARTIES HERETO ARE DESIROUS OF REDUCING INTO WRITING THE TERMS AND CONDITIONS AGREED BY AND BETWEEN THEM AS UNDER:

1. The Company recognizes that prior to and at the time of joining the Company, the Trainee has not been exposed to many skills and knowledge, which are essential to ensure that the performance of the duties by the Trainee meets the business needs and standards required by the Company.
2. The Trainee has undergone an approved maritime training in a recognized institute.
3. The Company agrees to provide on board Training for a period as determined by the Company to meet its business needs and standards.

4. The employment terms and conditions for on board services shall be as per the applicable Collective Bargaining Agreements of the Company and joining contracts given to the Trainee.
5. The Company agrees to bear reasonable and legitimate expenses incurred in joining and disembarking the vessel.
6. The Trainee agrees to undergo the required training and education and shall be required to complete each stage of the training successfully to qualify for the Certificate of Competency exam, which is intended to render him competent to undertake all tasks relevant to the functions that will be assigned to him, from time to time.
7. The Trainee agrees to be assigned for on board services during the Training period as well as after successful completion of the Certificate of Competency as an agreed signatory to this Agreement, until its said period as mentioned in the 'Objectives' of this Agreement. The Company at its discretion will allocate ships and may decide to assign the Trainee on a certain type of ship, both during the Training period and subsequently as a certified officer. The Trainee agrees to serve on any vessel(s) as may be decided and assigned by the Company.
8. The Trainee agrees to undergo on board Training as determined by the Company, currently being as below:

DECK CADET:

2 Year Nautical Diploma Holder: 24 months as deck cadet and after obtaining COC 3 months as Fourth Officer;

3 Year Nautical Diploma or 4 Year Nautical Graduate: 15 months as deck cadet and after obtaining COC 5 months as Fourth Officer;

ENGINE CADET:

2 Year Diploma Engineer: 24 months as engine cadet and after obtaining COC 2 months as Fifth Engineer, 6 months as Junior Fourth Engineer;

3 Year Diploma Engineer or 4 Year Graduate Engineer: 15 months as engine cadet and after obtaining COC 3 months as Fifth Engineer, 6 months as Junior Fourth Engineer;

ELECTRO CADET: 15 months for Electro cadet and after obtaining COC 8 months as Trainee Electrical Officer.

9. The Trainee accepts, agrees and admits that the Company would have incurred costs and expenses while providing the benefits and the opportunities as laid in this Agreement.
10. The Trainee has understood and agrees that he would be eligible to receive the onboard training subject to the following conditions:
 - Is evaluated well in his overall performance and behaviour by the Institute.
 - Does not indulge in any anti-social or unethical activities.
 - Complies with Company rules and regulations.
11. The Trainee shall cease to receive onboard training if he is found in breach of aforesaid conditions, specifically stipulated in clause No.10, hereinabove.
12. The Company reserves the right to withhold or stop Training at any time at its sole discretion, if the Trainee is found short of expectation or not meeting Company's requirements
13. The Trainee therefore agree that in the event of the Trainee leaving the Company before the completion of the agreed 24 months of total sea service after obtaining the Certificate of Competency or earlier for what-so-ever reasons, they shall pay

or reimburse to the Company as compensation / damages calculated as 100% of the costs incurred by the Company during Training.

14. In the event the Trainee violates the terms of this agreement, the Company reserve its rights to pursue legal proceedings, in addition to notifying various Maritime Authorities, which includes but not limited to Flag State Administration, Local Maritime Body, local Government as applicable and also notify relevant embassies like the US Embassy to cancel any visas issued by the Company.
15. The Trainee agrees to indemnify and hold harmless the party of the Company hereto, from any and all claims, demands, costs, expenses, actions, injuries of any nature and liabilities arising out or attributable to the Trainee and for breach of any of the representations and warranties or of their obligations under this Agreement.
16. Any waiver or modification or alteration or addition to this Agreement or to any of its provisions and all notices given pursuant to this Agreement shall not be binding upon the Parties unless the same shall be in writing and signed respectively by the involved parties, and served to the other side.
17. The parties agree that any dispute arising out of, in relation to or connected with this Agreement shall be resolved through arbitration. The Parties shall have a right to appoint a sole arbitrator to be agreed between the Parties. However, in the event the Parties cannot agree on the appointment of the sole arbitrator, the matter shall be referred to the Chinese Law.
18. If the Trainee gets rejected for US Visa after one ship tour of duty the company reserves the right to release such Trainee's, as the company ship's trade worldwide and possession of a US Visa is a mandatory requirement for an on board assignment.

The Parties hereto have hereunto caused this agreement to be duly executed among themselves, on the date, year and place first above written.
