

中(英)文履历自传

Autobiography

中文: 在这三年间, 我一边通过对专业的学习, 一边听老师们的早年经历, 让我更加坚信了心中的这条路。我深知航海不是穿着制服拿着望远镜那样光鲜亮丽, 而是吊杆下, 缆绳旁那无处不在的月险。但无妨, 在无数个夜不能寐的夜晚, 我早已想好了自己渴望什么, 愿为之付出什么?

所以我能坚定的从这条路走下去。

生活中, 我在图书馆、保卫处、餐厅等地方都做过兼职, 一来能缓解我经济上的压力, 二来能丰富我的社会阅历, 日常上, 我爱好健身、打篮球、游泳等运动。我相信, 强健的体魄才是我未来航运路上的本钱。

家庭上, 父亲那句: “一代人有一代人的活法, 你的人生你做主。” 常常萦绕耳旁; 母亲的家庭永远是你的港湾, 父母永远支持你。” 回荡在心间, 是父母的支持与肯定, 给了我选择的底气, 也化作我航向深蓝的勇气。

英文: Over the past three years, I have been fully committed to my academic studies while drawing inspiration from my instructors' own early career experiences. This has solidified my conviction in pursuing this career path. I fully understand that a career in navigation is not merely the polished image of standing on the bridge in uniform with binoculars; risks loom constantly, whether beneath derricks or beside mooring ropes. Yet none of this deters me. Through countless nights spent tossing and turning, I have clearly defined my aspirations and the necessary sacrifices. Thus, I am prepared to overcome obstacles and advance resolutely on this course.

To support myself financially and gain broader social experience, I have taken on part-time roles across campus — in the library, campus security office, and dining halls. Beyond work and academics, I maintain an active lifestyle through fitness training, swimming, and basketball, believing that physical resilience is fundamental to a sustainable career in shipping.

My family has been a pillar of unwavering support. Their wholehearted endorsement of my career choice in navigation fuels my determination to venture in to the blue vase waters
